

This comment is in regards to the K-Love radio station. Personally, I listen to this radio station on a daily basis. It's been a source of positive music and encouraging messages for myself as well as friends and family. If K-Love were to be displaced by an LPFM broadcaster, I believe a vital ministry will be removed from a very large part of my community as well as many other communities. So many listeners enjoy and benefit from K-Love and it serves as a type of church related ministry for those who may not be able to attend a church or those who respond to musical ministry more easily. This is one of the few radio stations that can be enjoyed by people of all ages with no danger of exposure to mature or negative media. If you cut off K-Love, you will cut off a source of hope and happiness for thousands of listeners. I ask that you consider K-Love radio as a valuable part of the community. Thank You and God Bless.
